Re: Request for Extension for Public Comment Period for CASE No: ENV-2007-3083-EIR / SCH No. 2007121012 - Recirculated Portions of the Draft Environmental Impact Report (RP-DEIR) - Verdugo Hills Golf Course, 6433 La Tuna Canyon Road, Los Angeles (Tujunga), CA 91042

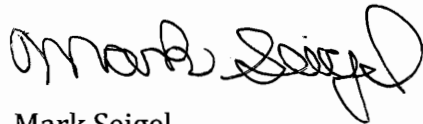

Dear Ms. Strelch:

The Board of the Sunland-Tujunga Neighborhood Council (STNC) voted at its regularly scheduled Board meeting to formally request an extension on the review period for the Verdugo Hills Golf Course project in our community. The timing of the release of the DEIR right before the holiday season has not allowed us as much time as we feel is needed to properly outreach to the broad community and analyze the impacts of the portions of the DEIR being recirculated. Further, STNC has reached out to the developer's representatives to hold a community meeting and are unable to confirm all schedules due to the holidays and vacations during this time of year.

We join with our neighbors to ask that the January 19, 2016 4 p.m. deadline be extended by an additional 30 days.

Thank you for your consideration of this request.

Sincerely,

Mark Seigel  
President  
Sunland-Tujunga Neighborhood Council
