## Two local stores to close

Kmart will close its stores in Sunland and Atwater Village as a result of its sale of 18 locations to The Home Depot for \$271 million in cash.

Stephen Pagnani of Kmart said Wednesday the stores that will be closed are at 840 Foothill Blvd. in Sunland and 3150 San Fernando Road in Atwater Village.

Kmart said about 230 workers or 41 percent of the full-time and management associates affected by the deal, will be offered jobs elsewhere within the company.

No closing date was announced.
