December 10, 2014

Councilman Felipe Fuentes
200 N. Spring Street
Los Angeles, CA 90012

Dear Councilman Fuentes:

The board of the Sunland-Tujunga Neighborhood Council requests that you join with the City Councilman Mitch O'Farrell to a bicycle and pedestrian path along the Verdugo Wash – an important tributary of the Los Angeles River. The 9.4 mile Verdugo Wash begins in the Crescenta Valley of which Sunland-Tujunga is a part of and terminates at the Verdugo Wash Confluence in the northern part of Council District 13. As a member of the Energy and Environment Committee you know the funding that has come to further the restoration plan for the Los Angeles River. Your support will further the expansion of this restoration plan and cycling and other recreation opportunities connecting our great City with the length of the LA River network along the Verdugo Wash.

Thank you for your continued support and we look forward to your support of this request.

Please contact John Laue, STNC Environmental Representative or myself with any questions.

Sincerely,

Mark Seigel
President
Sunland-Tujunga Neighborhood Council
