

## STNC Beautification Committee Special Meeting July 13 2018

1. Call to Order 6:05 PM
2. Public Comment
  - a. Roger- Rock boarder at Wild Flowering Annex update: hoping that August 4<sup>th</sup> is not so hot as the first Saturday of July so we can finish the project. The rock installation project was cancelled on July 7 due to heat
  - b. Nelly- on same subject maybe we can adjust the ditch so it's not so deep so we won't use so much concrete.
  - c. Ana- money for water and ice approved. Suggest we send email to Cindy asking to take care of it as the treasurer of STNC
3. Mural Discussion: Committee reviewed
  - a. Gerardo- put sketches on a scale. Committee members reviewed sketches and the series of artwork across the wall area in which it is going to be painted.
  - b. Roger loves the idea. Concerned about the amount of detail in there. simple meaning fewer vignettes. As a final scene, make it more current.
  - c. Gerardo saw photo at Bolton hall of a plane. Looking to incorporate it.
  - d. Gerardo asked for Tierra del sol to collaborate with us to do some of the prep artwork with.
  - e. Gerry- Can we put the STNC name on it?
  - f. Nayri in disagreement due to it taking away from the school.
  - g. Judy- would like to see more animals. The end Vignette should be a more current depiction of now.
  - h. Charlie- can we integrate a 3-D image of the detention center
  - i. Gerardo mentioned Bolton Hall. Will concentrate on only 1 flat side of wall, and if we have too much material, we will see if we can use the wrap around wall.
  - j. Plaque to explain the art vignettes across the wall. On the fence so it is hard to vandalize.
  - k. Metal plates on wall need to be replaced because they are rusted. They are steel and needs to be replaced with stainless steel. Nayri will ask Esmerelda if they can eliminate the plates and replace it with concrete. They can be removed and re-plastered. Or whatever is needed to hold poles/posts.
  - l. Roger, as an addendum to the project lets plant some native buckwheat in the planters. So that the plants are integrated into the mural artwork.

Meeting Adjourned at 7:01 PM
