STNC Ad Hoc Safe Streets Committee Survey

Our Ad Hoc Safe Streets Committee was formed to create signage on Foothill Boulevard to remind motorists to drive safely. Our Ad Hoc committee was also created for the purpose of educating the public with other outreach tools that will remind people to drive safely and to respect traffic laws.

Below are the five pole banners to be displayed along busy intersections of Foothill Boulevard in Sunland and Tujunga. We are sharing them here to let you know what is coming:

- A. STNC Cares - Speed Kills Kids & Pets.
- B. STNC Cares - Don't Text! Drive Safely.
- C. STNC Cares – Stop at all STOP Signs.
- D. STNC Cares – Speed Kills! Slow Down.
- E. STNC Cares – Drive Slower, Live Longer.

Please take a moment to answer the following questions.

1. Would you agree that at times Foothill Boulevard is a very dangerous street?

_____ Yes _____ No

2. What suggestions do you have on how to make our streets safer?

3. What other streets besides Foothill Boulevard need traffic safety measures?

4. Which do you feel would be more effective in reducing traffic accidents?
